Answers for: What are your views on more or less affordable housing in the future			<i>7 answers</i>	
1	21/05/14 6:39PM ID: 10598651	We have two properties that fall under the social housing banner in the vilage and the occupants, whilst invited, play no part in village life. In my view social housing needs to be located in areas with aminities such as transport links, schools etc. wyddial has none of these.		
2	04/06/14 4:33PM ID: 10770153	Not suitable due to distance from Buntingford and lack of amenities		
3	05/06/14 4:17PM ID: 10784510	It's necessary

7	11/06/14 9:30AM ID: 10852262	I feel there should be no more affordable housing. There is plenty of housing in the private renting or buying market		

2. For Little Hornead, Great Hornead, Hare Street, Aspenden, Wyddial, Buckland & Chipping residents. Answers for: If No, where would you like them to be

2 answers

1	21/05/14 6:39PM ID: 10598651	Yes, however there is little or no maintenance of them. Most are over grown and in some instances they don't allow passage. Signage is poor and incorrect. Despite numerous promises these remain unrectified. Footpath infringements need to be enforced. Landowners are not made to cut the hedges etc that border footpaths and therefore they become overgrown.

Answers for: What is it that you would like to be developed and where			<i>4 answers</i>
1	21/05/14 6:39PM ID: 10598651	We have sufficient shops in Buntigford for the size of town. As proven by the number of facilities that regularly change hands keeping a business alive in the current climate is difficult. Without improved and regular transport links to other areas increasing any of the above would be pointless. Money would be better spent increasing similar resources in areas with good transport such as BishopsStortford or Stevenage.

7	05/06/14 4:21PM ID: 10784552	Speed monitoring		
8	11/06/14 9:30AM ID: 10852262	We have 2 affordable houses and I think these should be sold as private houses as we have had two lots of bad tenants in one who do not look after the house and do not want to live in Wyddial because it is too far away from shops and school		
9	11/06/14 9:36AM ID: 10852467	Snow clearance improved		
3	In relation to this Questionnaire, please let us know anything you feel has not been covered		41.67%	5
1	12/05/14 8:36AM ID: 10446173	Speed restriction,		
2	21/05/14 6:39PM ID: 10598651	Wyddial is only as small community. We have no transport, no street lighting, no mains drainage, no gas, no shop, pub or telephone box. I am not against further development only that it needs to be proportional to the size of the community it is being placed in and the facilities available.		
3	30/05/14 7:38PM ID: 10704988	sad to see any of the villages losing their identity over development		
4	06/06/14 4:27PM ID: 10797086	We love Buntingford and surrounding area. Please preserve it. Don't let it get spoilt		
5	11/06/14 9:30AM ID: 10852262	I think we should spend less money on future planning and more on looking after what we already have in rural areas
